November*	188170
December*	277866

\*Separate data not available for Xbox One and Xbox One S, launched in EU in August, 2016. Number shown assumes equal sales of each post launch.

**Non-energy commitments**

Resource efficiency and recycling requirements	This console meets the requirement (Yes/No)
<b>A refurbishment or out of warranty repair service for each games console is available, and supported by the following requirements:</b>	
Technical documentation is available to authorised repair centres to enable repair or refurbishment	yes
Spare parts are available to authorised repair or refurbishment centres	yes
To improve both recycling and reuse at end-of-life, maintenance and refurbishment is possible by non-destructive disassembly	yes
<b>To improve recycling at end-of-life, console plastics parts &gt;25g are marked indicating their material composition (using ISO conforming marks), with the following exceptions:</b>	yes
The part has <1cm <sup>2</sup> level surface available for marking	
The performance or function of a part is compromised e.g. buttons with tactile surface, plastic lenses, or display screens.	
External transparent parts	
Marking is not technically possible due to the specific production method of the plastics used in the part e.g. extrusion moulding.	

**Information included in Instructions For Use**

Information	Requirement: The following information is included in the instructions for use (instructions either provided with the console itself , onscreen or hardcopy, or online)
1. Information on the energy-saving potential of power management:	"Automatic power-down could help save energy by reducing the amount of time the Games Console remains on, but not in use."
2. Default low power mode when the Games Console is powered-down:	Select one only: <input checked="" type="checkbox"/> Standby <input type="checkbox"/> Networked standby
3. Default auto power-down time settings:	The Games Console will power down after the following periods of inactivity: Media playback (minutes) < 60> Other modes (minutes) <60>
